of the entire building comes up to Rs 9000. It is not clear from the DC's letter whether this cost has been certified to by the P.W.D as required by the Gt. in. aid rules.

Under Rule VII (1), the amount of grant recommended viz. Rs 2,500 ~~seems~~ falls within the minimum payable but under the same rule para. (2) the amount to be disbursed should not exceed one-third of the "actual cost of the completed work as certified to by an Officer of the P.W.D."

The DC's letter explains why this is not possible now

In the present case the building is now incomplete, ~~at present~~, only the walls having been raised.

To

Secretary to the Government of H. H. the Maharaja of Mysore,
Education and Agriculture *Departments.*

SIR,

I have the honour to inform you that Mr. Amble Anniah Pandit has undertaken, at his own cost, the construction of a school building costing about Rs.6,500 in the Chamaraj Road, Mysore City, for the location of one of the Primary Girls' Schools attached to the Maharani's College, which is now held in a rented building. The walls of the new building have been raised and the building is expected to be ready for occupation very shortly. I inspected the building during my recent visit to Mysore and found that as it stands at present, it was not spacious enough to accommodate all the classes of the above mentioned Primary Girls' School, the strength going up to more than 250. Mr. Anniah Pandit is not willing to undertake any further extension at his own cost, but he has no objection to Government undertaking the extension. The building is capable of being extended by the addition of two more rooms in the rear, as shown on the enclosed tracing. The estimate for these two rooms together with a latrine and a compound wall which are also to be constructed at Government cost comes to Rs.2,500 as per enclosed estimate. I request that Government ~~will~~ be pleased to sanction this amount as a grant-in-aid, the amount

amount being met from the special grant ~~xx~~ of one lakh of rupees provided in the current year's budget for primary or village school buildings. The favour of very early orders ~~are~~ is requested as the work has to be put in hand at once.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General.
